## Between Worlds

Darkness  
Soothing  
Floating  
Dreaming

Feeling  
Receding  
Empty  
Pleasing

I hide the sun from my eyes  
And turn my head from the skies  
I remain between two worlds  
I find true comfort from inside

Silence  
Retreating  
Thoughts  
Awakening

Flying  
Swirling  
Contemplating  
Staying
